Arush is learning about community helpers in his school. He had a lot of questions in mind. His mother thought to explain to him by showing our community helpers. They came to the market. Arush asked, "Who is she?" Mom said, " She is a Vegetable seller".

Arush asked, Mom, Which shop is this?

Mother replied , This is a grocery store. We purchase our daily need items from here.

Arush said, OK, mother.

Arush asked , what they are doing?

Mother replied , This is a garment store. We purchase clothes from here.

Arush said, Thank you so much, mother. Now, I understood about our community helpers and the work they do
